Consent to the collection, processing, and use of personal data. Collected data serves according to § 28 Para. 1 Sentence 1 No. 1 BDSG directly for the implementation and processing of membership. I therefore declare my consent that personal information provided by me may be processed and used within the framework of data processing (§§ 4, 4a BDSG).

Benefits for Members

1. As a member, you and one additional accompanying person qualify for the reduced admission price mentioned in the program – simply show your Jazz-Schmiede membership card at the ticket counter.
2. Additionally, each member receives three vouchers worth € 8.- each per year. These are transferable and can be applied toward the admission price.
3. Each member receives the current program booklet – if desired – by mail after publication.

Direct Debit Authorization

Payment of the membership fee by direct debit is the most convenient method for us. Through this, you automatically receive a discount of € 5.- on the regular membership fee and thus pay only € 75.-. Please contact us if direct debit payment is not possible for you. With the following declaration, you agree to the annual debit.

- I hereby authorize you, revocably, to collect the annual fee when due by direct debit from my current account.
